The next stop is the XXX mall, please exit through the back.

Come on, lets go.

What are you doing behind the tree? Is it some sacred relic now?

Y-Yan land-lady ...

Oh,
you're fine,
I'll get you
some water,
ok?

Yes
please
.....

Just learnt how
to use a straw

Geez,
he looks
so weird.
Just, why?

Once you've picked out the clothes, go and pay with this. I'm going outside to take this call.

This square thing replaced coins?

Sir, do you need any help?

Hm? How do you know that I need help?

I can tell just by looking at your clothes!

Do you sell
any clothes
like the
ones I'm
currently
wearing?

No,
but we
can tailor
some just
for you!

Okay.
Then can
I buy
ten sets?

Of
course!
